

Holstebro "date"

To our suppliers:

Requirements from our customers, the EU Regulation (REACH) and Danish legislation

We are writing to you to get information on substances in the products you supply to us.

If there are substances on the "Birn Group Black/Grey List" which are contained in the products you provide to us and which has a content that is greater than the listed value, then please fill in the attached form (Appendix 1) and send it back to Birn Group.

The information will be used to document the requirements of our customers, the EU Regulation (REACH) and Danish legislation on chemicals.

Please specify the product name, substance, CAS Number and amount of substance in weight%.

If there are no substances on the "Birn Group Black/Grey List" in the delivered products, then please confirm it by a signature on appendix 1.

This information must be returned to us as soon as possible, or within 14 days.

Appendix 1: Answer Sheet

Appendix 2: Excel spread sheet - Birn Group Black/Grey List.xls
